

The MI Events Committee is designed to bring awareness to Farmersville through events that provide tourism, resources, referrals and networking opportunities to every business— all the shops, stores, financial and service industries, restaurants and churches in our community.

The MI Event Committee was formed in March 2017 to bring businesses together in Farmersville and ALL the surrounding communities. Calls were coming into the Chamber office from more businesses wanting more events and business opportunities, not just events on the square. The committee started by defining the marketing needs and the most effective way to promote business. It's about how can we draw in tourists and be more visible in north Dallas and southern Oklahoma. The Car Show & Music Fest in June 2017 was the first event with Scare On The Square scheduled in October. We are working on several good opportunities for 2018, so if you have an idea, or want to be a part of our events please let us know.
